## ACADEMIC INFORMATION

### University of California, Santa Barbara

#### Statistics and Data Science Major with Dean's Honors

Graduation Date: 2026

Santa Barbara, CA 93117

## EXPERIENCES/CLUBS

### Data Writer (Current) - Daily Nexus Data Section

Creating interesting, data-driven content for the student-run Daily Nexus newspaper, using R, Python, and Excel for data analysis alongside my fellow students

Designing engaging visual representations with Canva and Tableau, technically writing, and interpreting complicated data for accessibility of non-scientific readers

- <https://dailynexus.com/2025-02-28/a-deep-dive-into-campus-sustainability-ucsb-reduces-carbon-footprint-by-67-since-1990/>

### Undergraduate Learning Assistant (Current) - UC Santa Barbara CMPSC Department

Enhance the learning experience of students, host office hours, create a more supportive environment for those from underrepresented groups, direct lab sections, attend lecture

### Scholarship Winner (Current) - PALiLSDS

Scholarship program for high-achieving Statistics and Data Science students pursuing graduate school, Awarded \$8200+ a year

### Data Science Club (Current) - Member

Club for advancing coding skills, create my own coding projects

### Stewards Restoration Project (Current) - Volunteering

Restore native habitat at the Bolsa Chica Ecological Reserve, plant and water native plants, remove non-native plants, and pick up trash

### Associate (June 2024 - March 2025) - Coral Tree Cafe

Multi-tasked with taking people's orders, making drinks, making bowls, making fries, cleaning, providing customers with a smooth and efficient transaction, delegating tasks to other coworkers

### Babysitting (4 years)

Babysat for multiple different family friends, tutored, multi-tasked with cleaning, organizing, and taking care of their children
